Recruitment

In order to attract a broad and diverse range of volunteers, we will promote volunteer opportunities widely within the local area. We will look to recruit volunteers in various places including; events, engagement projects, colleges and universities, social media, cultural organisations and through volunteer organisations.

We will hold recruitment events throughout the year. These events give us the opportunity to answer any of your questions and give you an overview of the current volunteer and training opportunities. You will be asked to fill in a short volunteer agreement form and talk to a member of staff about your particular interests. *If you are under the age of eighteen, a parent or guardian will need to complete a consent form.*

Volunteer Roles

Spotlight volunteer— activities with our visitors delivered from a trolley in the museum galleries exploring a topic, an object or a story in a fun and relaxed way.

Showtots volunteer—assisting with the museum's early years offer during these sensory and playful sessions.

Schools volunteer— assisting with the museum's school activities. Set up, clear up and encouraging participation..

Access volunteer—supporting visitors with a tailored route (booked in advance) around the museum based on their access needs.

Talks and tours volunteer—delivering talks within the community and our Heritage Tours for the public.
